**LETTER ACCOMPANYING PETITION FOR
REVIVAL OF AN APPLICATION FOR PATENT
ABANDONED UNINTENTIONALLY UNDER 37 C.F.R. 1.137(b)**

Sir:

Enclosed herewith is an executed Petition for Revival of an Application for Patent Abandoned Unintentionally Under 37 CFR 1.137(b) with respect to US application 10/026,215 filed on December 19, 2001.

This petition is executed on behalf of Bio Pure Technology Limited, the current owner of said application. Accompanying the Petition for Revival is an Amendment in Response to Non-Final Official Action, the Official Action having a mailing date of December 2, 2004.

I hereby certify that this correspondence and all documents referred to as being enclosed are being deposited with the United States Postal Service on this date, August 11, 2006, in an envelope with sufficient postage as, "First Class Mail," addressed to the Commissioner of Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

Lissette Ramos

Also accompanying the petition is a Revocation of Power of Attorney with New Power of Attorney and Change of Correspondence Address and an accompanying assignee of record of the entire interest Statement Under 37 CFR 3.37(b).

The chain of title documents are identified in said statement with the last two documents attached to said Statement. The assignment from Rodney Stuart Cobb to Bio Pure Technology Limited and the Order by the British Patent Office are also being concurrently recorded pursuant to 37 CFR 3.11.

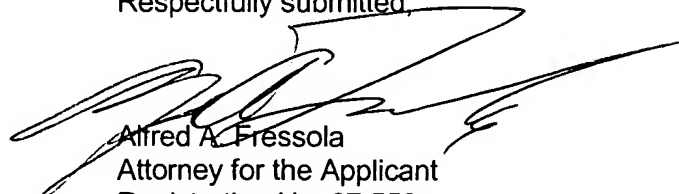

Further accompanying said petition is a Request and Fee to Delete and/or Add to Erroneously Named or Not Named Inventor(s) in Non-Provisional Declaration under 37 CFR 1.48(a). This request is specifically to add Rodney S. Cobb as a joint inventor of said US application. The request is accompanied by a Statement of Error Without Deceptive Intention on the Part of the Inventor Being Added pursuant to 37 CFR 1.48(a)(2) and an executed declaration by Rodney S. Cobb and Anthony Elliott, the latter being the originally named inventor.

In addition, an executed Assent of Assignee to Correction and/or Addition of Inventor(s) is submitted with a copy of the Statement Under 37 CFR 3.37(b).

Finally, enclosed is a check in the amount of \$960.00 which includes fees believed to be due for filing of the petition and related documents, including assignment recordation. Please charge our deposit account for any fee deficiency.

Review of said Petition for Revival is earnestly solicited.

Respectfully submitted,

Alfred A. Fressola

Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number.

3. Terminal disclaimer with disclaimer fee

☒ Since this utility/plant application was filed on or after June 8, 1995, no terminal disclaimer is required.

☐ A terminal disclaimer (and disclaimer fee (37 CFR 1.20(d)) of \$ _____ for a small entity or \$ _____ for other than a small entity) disclaiming the required period of time is enclosed herewith (see PTO/SB/63).

4. STATEMENT: The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional. [NOTE: The United States Patent and Trademark Office may require additional information if there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137(b) was unintentional (MPEP 711.03(c), subsections (III)(C) and (D)).]

WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

ASSIGNMENT AND AGREEMENT

FOR VALUE RECEIVED, I, **Rodney Stuart COBB**, a citizen of the United Kingdom residing at 5 Ash Road, Shirley, Croydon CR0 8HW, United Kingdom, hereby sell, assign and transfer to **Bio Pure Technology Limited**, an organization duly organized and existing under the laws of the United Kingdom, and having a principal place of business at 17 South Street, Havant, Hampshire PO9 1BU, United Kingdom, as assignee, and its successors, assigns and legal representatives, the entire right, title and interest, for all countries in and to certain inventions relating to improvements in a ***Nut and Seat Assembly for Clamp***, which is described in an application for Letters Patent of the United States filed on **December 19, 2001**, now bearing U.S. Patent Application Serial No. **10/026,215**; and all the rights and privileges under any and all Letters Patent that may be granted therefor.

I request that any and all patents for said inventions in all countries be issued to said assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

I agree that, when requested, I will, without charge to said assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in said assignee, its successors, assigns and legal representatives or nominees.

I authorize and empower the said assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said inventions filed by it or them, the benefit of the right of priority provided by: (a) the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it; and (b) the Patent Cooperation Treaty, as amended, or by any treaty which may henceforth be substituted for it; and to invoke and claim such right of priority without further written or oral authorization from us.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the said assignee or nominee to claim the aforesaid benefit of the right of priority provided by: (a) the International Convention for the protection of Industrial Property, as amended, or by any
